Promoting, encouraging, improving the dissemination of knowledge

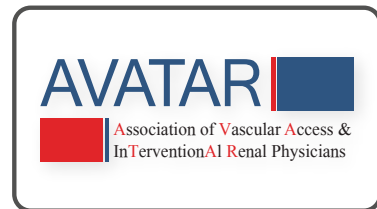

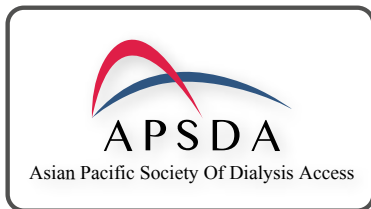

Nephrology Semi Week | 2022

Nephrology Semi Week 2022 is being organised by experts including Interventional Nephrologists, Peritoneal Dialysis and Hemodialysis physicians. The three major societies namely the Asian Pacific Society of Dialysis Access (APSDA), Peritoneal Dialysis Society of India (PDSI) & Indian Society of Hemodialysis (ISHD) has joined hands to conduct this feast of knowledge along with Avatar Foundation.

The highlight of this year's program is workshop-based hands-on training on dialysis delivery, vascular or PD access creation. The routine contemporary topics will be discussed in regular preliminary sessions.

Avatar Foundation is a pre-eminent group representing Intervention Nephrologists, Critical care Nephrologists, Vascular Surgeons, Vascular Radiologists and other caregivers and strives to advance excellence and innovation in Interventional Nephrology through skill development, education, advocacy, research and public awareness.

We invite you to attend NSW 2022 (Nephrology Semi Week) Conference. This mega event is cohosted by the Peritoneal dialysis Society of India (PDSI), Indian Society of Hemodialysis (ISHD) along with the Asian Pacific Society of Dialysis Access (APSDA) and AVATAR Foundation

The novelty of this event is the collective representation of stakeholders in the CKD care and its deliveries. A major part of the event apart from contemporary issues will be focused on Hands-on training and discussion on difficult & challenging cases. This will be an excellent opportunity for the industry to showcase newer innovations and other products.

This event will provide recent advances & cutting edge technologies in the field of Vascular Access, Hemodialysis and Peritoneal Dialysis.

Who should attend?

- Trainees & Fellows
- Nephrologists
- Post Graduate Students
- Vascular Surgeons
- Interventional Radiologists
- Urologists
- Nurses, Dialysis & Cath Lab Technician

To,

The Exhibitor,

The **NSW 2022 (Nephrology Semi Week)** is new concept in India. This brings wholesome Renal Care conference under one banner. This year program is being participated by Asia Pacific Society of Dialysis Access (**APSDA**), Peritoneal Dialysis Society of India (**PDSI**), Indian Society of Hemodialysis (**ISHD**) and **AVATAR** Foundation. This annual conference on Interventional Nephrology and is likely to be endorsed by American Society of Diagnostic and Interventional Nephrology (**ASDIN**), Asia Pacific Vascular Society (**APVIC**), Vascular Access Society of the America (**VASA**), Indian Society of Nephrology (**ISN**), Indian Society of Nephrology and accredited by Delhi Medical Council (**DMC**).

The basic theme of conference is to enhance care gives the knowledge to improve wholesome patient outcomes.

Any education endeavour is not possible without generous contribution by industrial patrons. We request health-care industries and eminent corporates to generously contribute to this high end skill development program.
